### **What to Leave at Home**

Our camp days are filled with many fun activities and the majority of the supplies are provided. Occasionally, there are special theme days that might require campers to bring something from home. These special days will be highlighted on the weekly camp calendar. It is important that campers leave items at home that might not be appropriate for camp or interfere with the overall experience. Some of those items include:

- Toys – The BTPD does not allow participants to bring toys and electronic devices from home. Items brought from home may become lost or damaged. Any toys and electronic devices brought to camp will be confiscated and given to the parent at the end of the day. The BTPD will not be responsible for any toys or electronic devices brought from home. (Example: I-Pods or any portable music system, PSP's or any portable game system and any type of toys)
- Cell Phones and iPhone/Smart Watches – Cell phones are not permitted at the BTPD. If your child is caught with a cell phone it will be confiscated and returned to the parent at the end of the day. Even if the child reports to the staff that the parent is requiring them to have it. If you need to talk to your child sometime throughout the day we do have cell phones that are kept with the counselors that can be used for emergencies. Continued abuse of this policy will result in disciplinary action being taken including but not limited to removal from the program.
- Skateboards/Scooters/Roller Blades/Heelys/Hover board or any type of shoe with wheels are not permitted at the BTPD Summer Camp. Skateboards, scooters, and roller blades will be kept with staff for safe keeping. Participants caught with wheels in their shoes will have their wheels' confiscated. Wheels will be returned to parents at pick-up.
- Weapons/Look-Alikes are strictly prohibited. Any participant caught with a weapon/look-alikes will be disciplined accordingly, including but not limited to removal from the program.

**Failure to follow these guidelines can result in disciplinary action, including but not limited to removal from the program.**

### **Parent Information**

#### *Parent Responsibilities*

Parents of participants are responsible for providing the following:

- Maintaining appropriate and timely payment of fees.
- Contacting the park district if your child will be absent. By either (815)933-9905 or the Camp Phone at (815)953-2750 or (815) 953-3360
- Communicating your child's needs to the staff.
- Picking up your child on time. (A late fee will be applied to any parent picking up after 6pm)

### *Parent Communication with Children*

Any parent who attempts to talk to a child other than his or her own child regarding that child's behavior or a program, will be dismissed from the program (including the removal of the child from the program). If there is a problem between two children, the parent should bring it to the attention of the Camp Director or Recreation Supervisor of the BTPD Summer Camp. Only the Bourbonnais Township Park District is permitted to discipline or question a child in their care.

### *Parent Communication with Staff*

The 24-hour rule is a rule in place to help keep peace between staff and parents. The rule is simple, parents are asked not to approach staff members about issues until 24 hours after the time of the incident.

#### Reasons for the 24-hour rule

1. To allow both parties to calm down after the issue developed.
2. To give both parties time to think about the problem.
3. To prevent any unnecessary acts or scenes in front of participants and other parents.
4. Cooler heads will prevail.
5. To stop any embarrassing moments in front of the participants/parents/staff.
6. The hope that time to think about these issues will help to solve the problem in a positive manner and the right resolution.

In the heat of the moment persons may say things they do not really mean. This can hurt the participants if things are not handled correctly. The relationship between parents and staff members is important, however decisions should be made with consideration of what is best for participants. The rule is in place to help protect all person's interests.

### *Change of Information*

If a parent has changes for any pertinent information, such as home, work, or cell numbers, address or adding another person to your pick-up list, the BTPD Staff must be notified of the changes. Only the legal custodial parent/guardian who completed the original registration forms can sign and authorize these changes.

### *Childcare Statements*

Receipts are issued for payments when payment has been made. If you should need a "Year-End Childcare Expense Statement" please log in to your online account to print a copy of your statement or contact the Perry Farm House Administrative Office at (815) 933-9905 ext. 1. Statements will be available by January 31, 2022.

### *Dependent Care Expense Statements/Flexible Spending Accounts*

The BTPD Summer Camp Recreation Supervisor is the only person who may sign your completed dependent care statements. The Recreation Supervisor is located at the Recreation Station, 770 E Franklin St, Bradley. To have the form completed, any of the following options may be used:

- Give the front desk the form by Monday of any week, and the form will be taken to the Recreation Supervisor, signed, and returned to the parent by Friday, of that same week.

Bourbonnais Township Park District

### *Concerns/Problems*

Any issues your child has at home that may affect behavior during BTPD Summer Camp, please keep BTPD staff informed of any unusual circumstances so we can be sensitive to your child's needs. The staff strives to work with each family as a team. Open communication is vital to accomplishing this goal.

### *Suspected Abuse or Neglect*

In accordance with the procedures set forth in the Abused and Neglected Reporting Act, the Bourbonnais Township Park District staff, having reasonable cause to believe that a child known to them in their professional capacity may be an abused or neglected child, shall immediately report the matter to their supervisor. Chain of command will be followed, and proper authorities will be notified. Our staff have gone through mandated reporter training.

### *Summer School*

The staff understands some children need to attend summer school. The Park District is unable to transport any children to or from summer school. As long as the child is transported by the parent or the school, the child can attend BTPD Summer Camp.

### *Contact Information*

## **Parent Code of Conduct**

*Bourbonnais Township Park District has adopted a Parents Code of Conduct. Parents/guardians should review and familiarize themselves with this Code whenever they register their child/ward for any recreation program or activity. This Code is intended to remind parents/guardians of the importance of serving as a positive role model, encourage courteous and respectful behavior towards others, and promote being involved in their child's recreational activities*

## **Code of Conduct**

The goal of the Bourbonnais Township Park District is to provide an enjoyable, exciting and satisfying recreational experience for children.

Our rules and regulations are intended to encourage participation and enjoyment by all. Developmental sports and recreational activities are intended to provide "successful" and "positive" experiences through fundamental skill development, social skill development, and fun — which ultimately provide the tools for a winning focus and positive experience.

To parents and guardians of participants, we direct you to refrain from harassing, berating, insulting, or engaging in any inappropriate conduct toward staff, volunteers, and when applicable, coaches,

participants, parents, guests, officials, and others IN ANY WAY. Rude and inappropriate behavior will only have a negative impact on your child's, as well as other children's overall experience. However, we urge you to discuss any concerns you may have regarding your child/ward, the program or activity with the appropriate staff, coach or league supervisor in a **courteous, constructive, and respectful manner**. Let's work together to provide a positive experience for each and every participant.

To this end, the Bourbonnais Township Park District asks parents/guardians of participants to follow the following guidelines:

- Encourage good sportsmanship and appropriate behavior by demonstrating mature and respectful behavior and serving as a positive role model for your child.
- Place the emotional and physical well-being of your child ahead of any personal desire.
- Reinforce to your child that s/he must play and conduct him/herself in a safe and respectful manner.
- Support staff, volunteers, coaches and officials working with your child in order to encourage a positive and enjoyable experience for all.
- Remember that our activities and programs are for youth — not for adults.
- Do your very best to make youth programs and activities fun for your child.
- Encourage your child to treat other children, staff, volunteers, coaches, officials, and others with respect regardless of race, sex, creed, disability, religion, sexual orientation or ability.
- Inform the Bourbonnais Township Park District of any special need, impairment or ailment that may affect the safety of your child or others.
- Always communicate and deal with conflict in a polite, courteous, and constructive manner.

Please understand that violation of this Code or any inappropriate behavior may result in revocation of your privileges, and in rare cases, may compromise your child's ability to participate in any recreational program or activity

### **Illness**

A parent is an expert when it comes to knowing their own child, and here at BTPD Summer Camp we really rely on your judgment in keeping all of us healthy! If your child is not feeling well before camp, or the night before camp, please keep him/her home, even if no real symptoms may have yet occurred. Even the best, most comforting and loving camp staff person is no substitute for mom or dad. The Bourbonnais Township Park District has the right to refuse any child who is ill or has a fever. If a child becomes ill during the program, i.e., fever/vomiting, a parent will be notified and asked to pick-up the child immediately. If the parent is unavailable, an emergency contact will be called. A child must be fever-free without the use of Tylenol and/or taking antibiotic for 24 hours before returning to the program. In the case of contagious or serious illness, please contact the BTPD Summer Camp staff immediately. All parents will be notified as soon as possible. Your cooperation is greatly appreciated.

## **Special Notes**

If your child needs medication, has any physical limitations, needs special attention in the pool, etc., please notify us with a note so we can alert camp staff. Parents who have questions concerning their child's activities, swimming, camp problems, etc., should notify the Camp Director.

## **Behavior/Discipline Procedures**

### *Behavior Management Guidelines:*

BTPD Summer Camp promotes positive behavior and good decision making. Guidelines for behavior management are established to help create a system for dealing with inappropriate behavior at camp. Behavior deemed inappropriate can be offensive or abusive language, aggressiveness toward other participants or staff, uncooperative behavior or other actions disruptive to program activities. Staff is instructed to use the following corrective actions, depending upon the severity and consistency of the behavior:

1. Warning to stop behavior.
2. Withdrawal of privileges or participation in activity or time out from activity.

4. Complete removal from the program.

In cases of behavior that is severely disruptive or when our participants' safety is an issue, parents will be contacted to help correct the situation. Parent cooperation in correction of the behavior will be

expected and appreciated. Prolonged misbehavior may result in child's dismissal from the program. *For more details on our behavior policy, please see attached policy.*
