- 2) Maximum number of dogs per card is 3 and all dogs must remain in the same run area with their owner. Large dogs (26 lbs. and above) are not allowed in the small run area. Owners cannot leave their dog(s) in the run areas without supervision.
- 3) Dog must remain leashed until they are inside the small or large run area. No prong or pinch collars allowed in the run areas: They must be removed for other dogs' safety.

- 5) Dogs must display their current rabies tag.
- 6) Dogs who are unhealthy or in season are not allowed in to the park. We recommend keeping your dog on flea and tick treatments during spring, summer and fall. Fall is peak time when fleas become active and are looking for hosts.
- 7) Dogs who exhibit humping or aggressive behavior (including urinating on other animals or people) should be removed immediately from the park to avoid the potential for injury to other dogs or owners. Chronic or habitual offenders and abusers will lose their dog park privileges. **Do not allow your dog to run to the gate when a new dog is entering! Keep the gate area clear at all times so members can enter and exit without an incident.**
- 8) Bowls and other items left in the dog park will be discarded to prevent the spread of illness. Maintenance will be checking daily.
- 9) Water toys, sprinklers and hose sprayers **are not allowed** in the dog park.

BOURBONNAIS TOWNSHIP PARK DISTRICT DOG PARK ETIQUETTE AND PRECAUTIONS

Please take the time to read this and educate yourself about the rules and etiquette. We take safety at the park very seriously. Familiarizing yourself with the rules and etiquette will help you and your pet enjoy your time at the dog park.

Note: For safety reason, children 12 and under are not allowed in the dog run areas.

- 1) Dogs can be unpredictable and rambunctious. Some dogs don't respond well to children running by fast with arms flailing and yelling. Because of this, we highly recommend not bringing any children into the dog run areas for their own protection. Children should not handle any dog toys that are lying around in the park and should always ask the handler before petting a strange dog.
- 2) Entering and exiting a dog park is a stressful event for a dog. Please allow others to enter and exit before you do. This will reduce stress and confrontations between dogs as they are entering the play areas. Be sure to securely close all gates behind you for the safety of all.
- 3) After entering the park, let your dog off-leash. Leashed dogs feel threatened when they are around un-leashed dogs. If you are uncomfortable with letting your dog off-leash, don't visit the park. **If your dog wears a prong collar, it must be removed so other dogs do not get caught on it.**
- 4) **Supervise your dog during the entire visit to the park.** When a new dog enters the park, be aware of where your dog is. Having a group of dogs greet you at the gate can feel threatening to some dogs: don't allow dogs to congregate around the entrance. **Keep your leash with you at all times.**
- 5) Some dogs like to mount-if yours is one of these, you must immediately discourage this activity to avoid any aggression problems from other dogs, or leave the park.
- 6) Dog fights are rare in dog parks, but if one does occur, the best method to break it up is to grab both dogs' hind legs and direct them in opposite directions. Block any eye contact the dogs can make with each other. **Dogs that remain unruly towards another dog must be removed immediately.**

- 7) If your dog injures another dog or owner, be sure to give your name and phone number to the injured party. **You are legally and financially responsible for your dog's actions and any harm it causes to others. See Dog Incident Policy.**
- 8) **Pick up your dog's droppings** and any "orphaned" droppings; carry extra bags with you.
- 9) Owners must clean up after their dog. Bags and waste receptacles are available throughout the park.
- 10) Puppies under the age of six months are not allowed in the park.
- 11) No smoking, no glass containers, no food of any kind including dog treats, rawhides, bones, & hooves, and no alcohol or soft drinks of any kind are allowed anywhere in the park. This is to ensure the park stays clean and prevents dogs from begging for food or showing aggressive behavior.
- 12) No human sports of any kind are allowed in the park (rollerblading, football, baseball, bikes, skateboards, etc.)
- 13) Do not allow anyone into the park that does not have a key card. This is for you and your pet's safety. Encourage visitors to pick up a packet and register to become a member. Report fence jumpers to the police. The phone number is posted at the park.
- 14) Owners are legally responsible for their dogs and any injuries or damage caused by their dog.
- 15) Failure to comply with the above rules may result in fines or revocation of your park permit.

Bourbonnais Township Park District reserves the right to suspend or revoke park privileges to any member who fails to follow park rules and etiquette. Safety first- please be courteous to your fellow dog park members and help keep the park clean, safe and enjoyable for all.

WARNING OF RISK

Dog activities are to provide a fun and rewarding experience for a dog and its owner/handler. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death to the dog, its owner/handler or other persons or animals. Dogs are pack animals and when "off lead" even the best-trained dogs will act instinctively. Understandably, not all hazards and dangers associated with dog activities can be foreseen. Certain inherent risks include the propensity of any dog to behave in dangerous ways that may result in injury to you, another person or dog. Other risks include, but are not limited to, the inexperience, negligence or irresponsibility of a dog owner/handler; the inability to predict a dog's reaction to sound, movements, objects, persons, or other animals; and actions by the dog due to fright, anger, stress, insect bites, or natural reactions such as jumping, pulling, resisting and biting. Other risks include the hazards associated with environmental and traffic conditions, acts of God, inclement weather, slip and falls, premises defects, equipment failure, failure in instruction/supervision, and all other circumstances inherent to dog and/or outdoor activities.

Should you attempt to break up a dogfight or restrain a dog, including but not limited to your dog, you may be attacked and severely mauled by your dog the other dog or attacked by another dog's owner/handler. In this regard, it must be recognized that it is impossible for the District to guarantee absolute safety.
