

Bourbonnais Township PARK DISTRICT

FOR IMMEDIATE RELEASE

DATE: January 3, 2025

Your Voice Matters! Help Shape BTPD Parks and Programs

The Bourbonnais Township Park District is seeking all community members to take part in shaping the future of local parks, programs, and services by participating in a new **Recreation Needs Assessment Survey**. This survey is an opportunity for all to share their thoughts and ideas on what improvements and initiatives they'd like to see in the district.

"Our community is the main key to our success," said Michael O'Shea, Executive Director of BTPD. "We're committed to creating parks and programs that reflect the needs and desires of our residents and nonresidents."

The survey covers a variety of topics, including park facilities, recreational programs, and overall satisfaction with BTPD's offerings. The input collected will guide the district in strategic planning and ensure that resources are allocated effectively.

Residents are encouraged to take a few moments to complete the survey online at **btpd.org/survey**. "This is your chance to have your voice heard," added O'Shea. "Together, we can create spaces and experiences that enhance the quality of life for everyone in our community."

For more information about the survey or to learn more about the Bourbonnais Township Park District, visit **www.btpd.org** or contact us at **815-933-9905**.

About Bourbonnais Township Park District

Bourbonnais Township Park District is dedicated to providing recreational opportunities, preserving natural spaces, and enriching the quality of life through recreation, preservation, and education. It manages a variety of parks, facilities, and programs, including family-friendly programs and events. The district strives to promote wellness, community engagement, and environmental stewardship through its diverse offerings.
